

Melissa McEnroe, MSc PI
Planning Associate

PROFESSIONAL POSITIONS

- Planning Associate, R.E. Millward & Associates (2009 - Current)
- Research Analyst, University of Toronto/ Toronto Regional Research Alliance, (2009)
- Grassroots Coordinator Intern, Sierra Club of Ontario (2008)

SELECTED PROJECTS

- Bell Canada, R.E. Millward & Associates - Tracking development activity, major policy initiatives, and building permits in the City of Toronto for Bell Canada. This project involves collecting, researching, and analyzing data, conducting site visits, and reviewing policy initiatives in order to submit comments on behalf of Bell Canada with regards to any impacts on utilities, telecommunications, and infrastructure.
- Seaton Implementation Plan, R.E. Millward & Associates –Conducting an ongoing review of sustainability and planning policies in the North American context. Specifically this role involves data collection of performance indicators and analysis of best practices and case studies from relevant jurisdictions to develop ambitious sustainability targets for Seaton. Review encompasses existing and emerging sustainable projects, communities, and developments.
- Innovation Systems Research Network Theme I Study, University of Toronto – Researched, collected, and analyzed the current states of knowledge flows in the automotive, steel, and advanced manufacturing sectors in Southern Ontario. Interviewed executives and managers involved in product development to discuss the economic, geographic, and social contributors to success as they relate to the changing needs of local and global markets. Researched and co-authored the final report for presentation at a national conference.
